

Intro

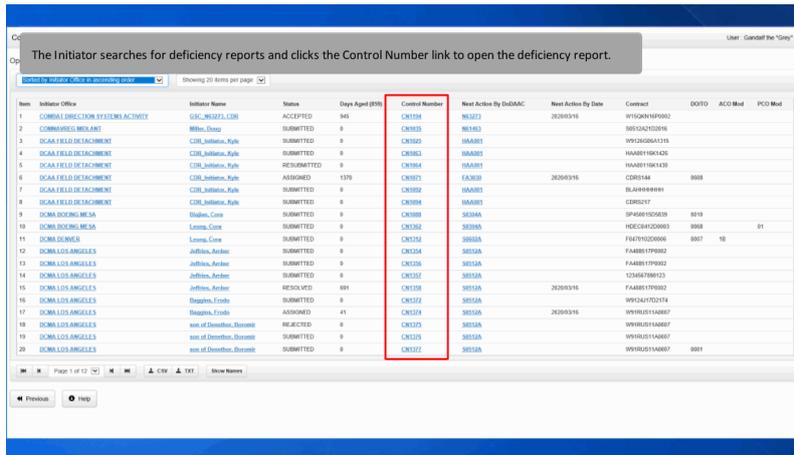

Welcome to Procurement Integrated Enterprise Environment (PIEE). This demonstration contains audio narrative. Please adjust your volume accordingly.

Step 1

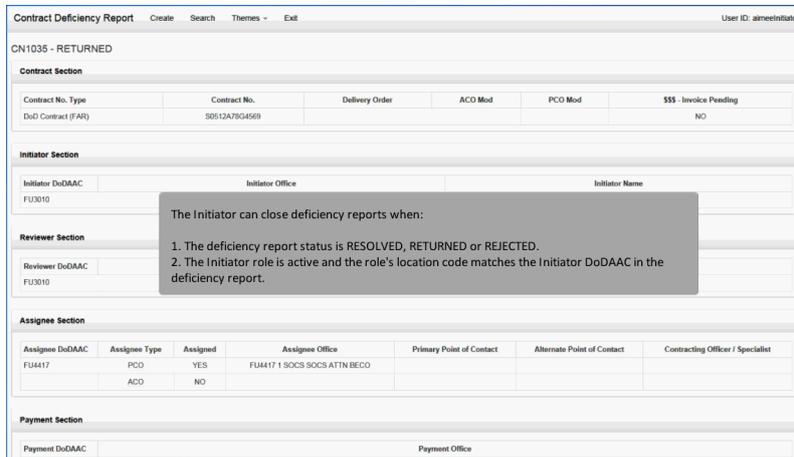

This presentation is an overview of an Initiator closing a Deficiency Report.

Step 2

The Initiator searches for deficiency reports and clicks the Control Number link to open the deficiency report.

Step 3

The Initiator can close deficiency reports when:

1. The deficiency report status is RESOLVED, RETURNED or REJECTED.
2. The Initiator role is active and the role's location code matches the Initiator DoDAAC in the deficiency report.

Step 4

The Initiator closes the deficiency report by clicking the Close button.

Code	Description	Comments
