ECWM Report

This report is intended to provide metrics for the 4th estate agencies that are migrating from SPS to ECWM. The results will show the volume and dollars of contract actions awarded in SPS by issue office, and compare them to the volume and dollars of contract actions awarded by the same Issue Office in ECWM.

Part: If you don't see all the parts available then it means that the data are still being extracted. This usually happens for a huge amount of data extraction.

Download: Using 'Direct Download' will allow you to download artifacts in parallel and download speed will be significantly faster for large artifacts. Use 'Download via EDA App' option if you run into any firewall issue.
