To return results with a specific Home Organization Location Code, select the Organizational Code radio button, select a search modifier, and enter a value in the Home Organization Location Codes field.

Example: Home Organization Location Codes

The screenshot shows a search interface titled "Home Organization Search By". Under "Home Organization Search By", there are two radio buttons: "Organizational Group" (unselected) and "Organizational Code" (selected). Below this is the "Home Organization Location Codes" field, which includes a dropdown menu currently set to "Equal To". A search modifier dropdown is open, showing "Equal To" and "Starts With" as options. To the right of the dropdown is an empty text input field for entering a specific location code value.

Sample Search Results

Once the search criteria are entered, the system will return a list of results with the requested criteria.
