Navigation

After logging into PIEE, select the **GFP** module.

For **Contractor Requisitioner**, the navigation steps for History View are:

1. Select the Requisition dropdown
2. Select Contractor Requisitioner
3. Select My History

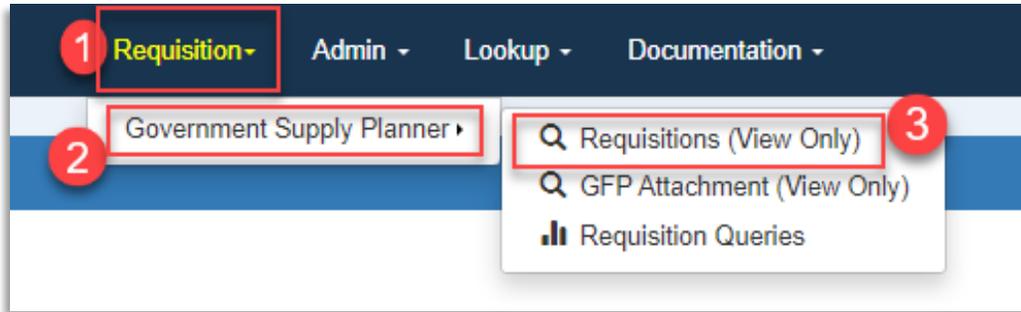

4. Select the **View** link in the **Action** column of the Requisition to view History.

A screenshot of the 'Contractor Requisitioner - My History - Search Results' page. The page displays a table with columns for Requisition Number, Contract Number, Delivery Order, CAGE code, Contractor DoDAAC, National Stock Number, Manufacturer CAGE, Part Number, Submit Date, Quantity Requisitioned, Requisition Status, Update Date, Quantity Shipped, and Quantity Received. The 'Action(s)' column contains 'View' links. A red box highlights the 'View' link in the first row, with a red arrow pointing to it and a red circle containing the number 4.
