This guide demonstrates how to Search for Plant Clearance documents - Inventory Schedule, Case, and Transfer Requests.

Roles

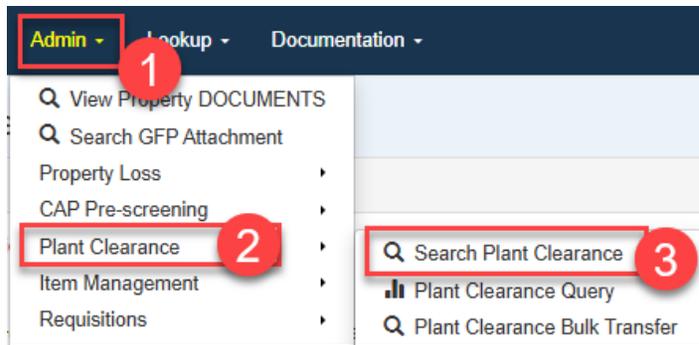

The following **Administration** roles is required to search for Plant Clearance (PLC) documents in the GFP Module.

- Group View All
- GFP-GFP SAM

Navigation

Log into PIEE as a **Group View All** user and open GFP. Go to Admin (1), Plant Clearance (2), and then Search Plant Clearance (3).

Note: The process for the Group View All role and the GFP SAM role are similar, so for this training document, the role for Group View All is being used.

Search Criteria

On the Search Criteria screen, it is a requirement to select a type of Plant Clearance document to search for.

Types of Plant Clearance documents include:

- Inventory Schedule
- Case
- Transfer Request
- Sales Authorization

Please select the type of Plant Clearance Document to search for: *
