IUID Roles

- IUID Help Administrator (HAM)
- IUID Data Correction Approver
- IUID Data Correction Initiator
- IUID Data Correction Reviewer

Purpose

This reference guide is to present how to require Acquisition Cost when converting a Non-UII GFP to a UII GFP.

The GFP template (web screens) will be used to convert a Non-UII GFP to a UII GFP.
Click the +Add link from the UII – Edit Non-UII GFP page.

IUID HAM - Add IUID: GFP Record - Acquisition Contract

ACQUISITION CONTRACT	CLIN
Acquisition Contract Number <input type="text"/>	CLIN/SLIN/ELIN <input type="text"/>
Acquisition Contract Order Number <input type="text"/>	Acceptance Date <input type="text"/>
Acquisition Contract Number Type † <input type="text"/>	Acceptance Location Code <input type="text"/>
Prime Acquisition Contractor <input type="text"/>	Acquisition Cost * <input type="text"/>
	Currency Code <input type="text" value="United States of America (\$) (USD 840)"/>
	Unit of Measure <input type="text" value="EA"/>

* - Required
† - Required if Contract Number is provided.

The **Custody data** will be required. The system will not display the Custody page when the Non-UII GFP document contains the Custody data. The Custody data will be populated from the Non-UII GFP to the UII GFP. The Custody data will be displayed on the Record Info Page. Review the data and click the **Continue** button.

The screenshot shows a web application interface for the IUID Registry. The page title is "IUID HAM - Add IUID: GFP Record - GFP / Custody". The form is titled "GFP / Custody" and contains the following fields:

- Custodial Contract Number ***: F0300015G0831
- Custodial Contract Order Number**: 0001
- Custodial Contract Number Type ***: DOD CONTRACT (NON-FAR)
- DUNS †**: 039134218
- Sent**: 2015-08-31
- Received ***: 2015-08-31
- CAGE †**: 06481
- DODAAC †**: (empty)
- Category Code ***: M - Material
- Status Code ***: K

Legend:

- * - Required
- † - CAGE, DoD MAC or DUNS Required

Buttons: Continue (highlighted with a red box and a red arrow), Back, Quit, Help.

The **Pedigree data** will be required. Enter the required data and select the **Continue** button.

† - Required if a Contract Number is provided.

When the user has finished updating the data, click the **Finish** button.

The screenshot shows a web application interface with four data entry sections: 'Item Owner', 'Special Tooling or Test Equipment', 'Type Designation', and 'Condition'. Each section has a '+ Add' button and a table with columns for data entry and an 'Action' column. At the bottom of the form, there are three buttons: 'Finish', 'Quit', and 'Help'. The 'Finish' button is highlighted with a red box, and a red arrow points to it from the left.

Effective Date	DoD or Federal Entity	DoD Status	Action

Effective Date	Status	Action
2022-08-18	NOT SPECIAL TOOLING OR TEST EQUIPMENT	Edit Delete

Effective Date	Type Designation Method	Type Designation Value	Action

Effective Date	Type	Code	Action

The user will receive a message the the IUID has been added. If another Non-Ull GFP needs to be converted, select the **Convert another Non-Ull** button

The screenshot shows the 'IUID Registry' application interface. At the top, there is a navigation bar with links for 'Metrics', 'User Type', 'Info', 'Exit', and 'Printer Friendly'. Below this is a message box titled 'IUID HAM - Add IUID: GFP Record - Finished'. The message box contains the text 'IUID Added.' and 'Ull: 0130510IUD'. Below the message box, there are three buttons: 'Convert another Non Ull', 'Main Menu', and 'Help'. The 'Convert another Non Ull' button is highlighted with a red box, and a red box labeled 'optional' is placed above it.
