General Overview: Workflow visualization is provided for all GPC-JAM related Nomination/Appointment workflows. The visualization reflects each step of the workflow and the user that is to complete the step. The visualization provides a textual description of the status and the next action to be completed. The following scenario is O/AOPC searching appointment.

### Workflow Visualization

**Searching appointments in JAM:**

<table>
<thead>
<tr>
<th>User</th>
<th>Workflow Visualization Location</th>
</tr>
</thead>
<tbody>
<tr>
<td>Appointee</td>
<td>My Account ➔ Manage Roles</td>
</tr>
<tr>
<td>GAM</td>
<td>PIEE Administration ➔ User Look up ➔ Select User's Account ➔ View Appointment workflow on Overview page</td>
</tr>
<tr>
<td>JAM User</td>
<td>Search Appointment in JAM</td>
</tr>
<tr>
<td>Any Nominator</td>
<td>Manage Nomination</td>
</tr>
</tbody>
</table>
Sample Workflow View:
The following scenario is O/AOPC searching appointment.

Workflow:

Last Completed Task: Appointment Initiated
Mark Rice on 12/19/2019
Current Task: Awaiting Supervisor Approval of Appointment
Normal LAST
Once the Supervisor approves the appointment request, the appointment can continue through the workflow. A reminder email can be sent to your supervisor by clicking the button below.
