- Import (*Import ARZ Template*)

*NOTE: At least one search criterion is required to perform a search.*

After entering search criteria click the **Search** button. The search results display on the same page.

## Search Results

Search Results display below the Search Criteria and allow new searches without leaving the page. Users Can find the Contract(s)/Order(s) quickly and easily.

### Search Results Columns:

- Checkbox
- Contract Number
- Order Number
- Issue DoDAAC
- Admin DoDAAC
- Pay DoDAAC
- CAGE

*NOTE: The search result displays only the Award data. The latest Pay Office, Admin and CAGE codes will be populated upon creation of the document.*

#### *Buttons:*

- Create – ARZ MOD/Modification
- Create - Order
- Cancel

From the search results, check the checkbox for all applicable Contract(s)/Order(s) that need to be modified. Click the **Create – ARZ MOD/Modification** button. When only one contract is modified, a question displays to determine if it is an ARZ MOD or a Modification.

### ARZ Modification

Will this modification -

- Change a Contractor's address
- Change a Contractor's CAGE code or UEI
- Change a Contractor's name

- Implement a novation, change-of-name, conversion, or restructure agreement or general order
- Change administration or payment office
- Adjust or realign workload

Answering **No**, redirects the user to the MOD Creation screen instead of the ARZ MOD screen. Refer to [MDO – CO Create Modification](#) training for more information located on the **WBT > MDO > How To – MDO Documents > Modification > MDO – Contracting Officer**.

Answering **Yes**, the create process continues to the ARZ MOD Create Document screen.

Click the '**X**' button in the top right corner to cancel the modal. This closes the pop-up and returns the user to the MDO Create Search screen.

The ARZ MOD Creation screen displays and information for the ARZ Modification is entered on the tabs below.

#### **ARZ MOD Creation tabs:**

- ARZ Modification
- Associated Contracts
- Attachments
- History

#### *ARZ MOD Creation tab buttons:*

- Submit for Review
- Save
- Back
- Cancel
- View PDF

*NOTE: The **Save** button is available at all points during the ARZ Modification workflow process. The button saves all information currently input. Take note of the Document ID at the top of the page; this ID may be used to locate the saved document via the MDO Search page. Refer to the [Save](#) training available on the MDO WBT under [General Functions](#) link for more details.*

The ARZ Modification Tab presents the user with Yes/No questions that displays additional questions depending on the answers chosen for each Yes/No question. Not all Yes/No questions display, only those required based on the initiator's answers.
