Non-Registered PIEE User

User navigates to the PIEE Homepage and clicks on the Purpose Code Management link.

CAGE Code Search

User enters a CAGE Code

SEARCH

1) The CAGE Code is validated against the CAGE Code Exception list.
2) If the CAGE Code has an exception the system will return the corresponding CAO/Pay Office DoDAACs.
3) If the CAGE Code does not have an exception, the system will return the DoDAACs according to the Zip Code of the CAGE.

Results

The system will return the corresponding CAO and Pay Office DoDAACs.

User enters a Zip Code or selects a Country

SEARCH

The system will retrieve the corresponding CAO and Pay Office DoDAAC from the data tables.

Results

The system returns the corresponding CAO and Pay Office DoDAACs.
