

Intro

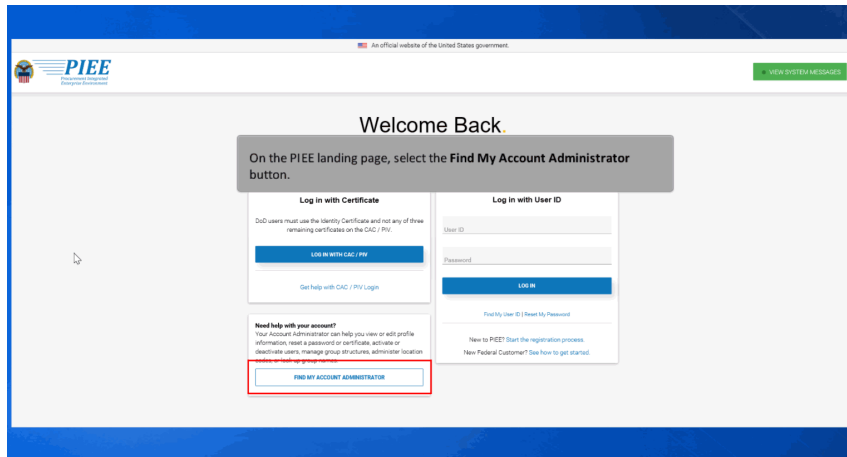

Welcome to Procurement Integrated Enterprise Environment (PIEE). This demonstration contains audio narrative. Please adjust your volume accordingly.

Step 1

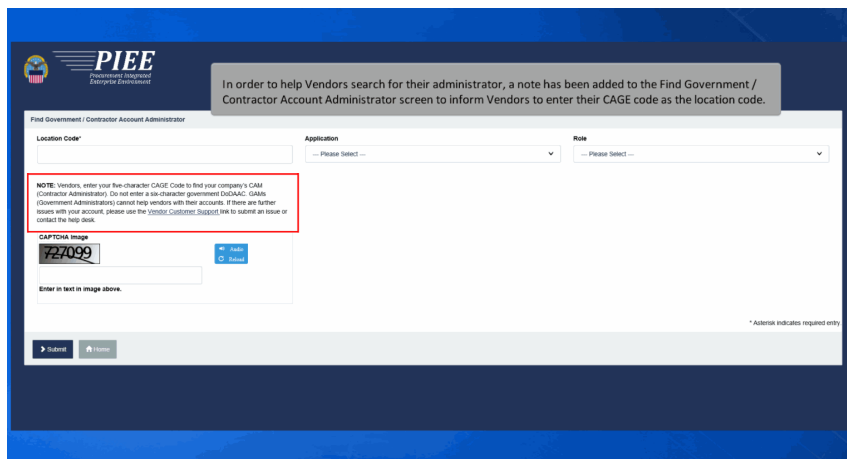

This presentation provides an overview of the Find My Account Administrator search functionality.

Step 2

On the PIEE landing page, select the Find My Account Administrator button.

Step 3

In order to help Vendors search for their administrator, a note has been added to the Find Government / Contractor Account Administrator screen to inform Vendors to enter their CAGE code as the location code.

Step 4

The screenshot shows the 'Find Government / Contractor Account Administrator' form. At the top, there is a header with the PIEE logo and the text 'Enter a Location Code in the Location Code field.' The form contains three main input fields: 'Location Code*' (a text box), 'Application' (a dropdown menu), and 'Role' (a dropdown menu). Below these fields is a 'NOTE' section. Underneath the note is a 'CAPTCHA Image' section with a CAPTCHA image showing the number '727099' and a text input field for the user to enter the code. At the bottom of the form is a 'Submit' button and a 'Home' link. Two callout boxes are present: one pointing to the 'Application' dropdown with the text 'Select the applicable application from the Application dropdown menu.' and another pointing to the 'Role' dropdown with the text 'Select the applicable role from the Role dropdown menu.'

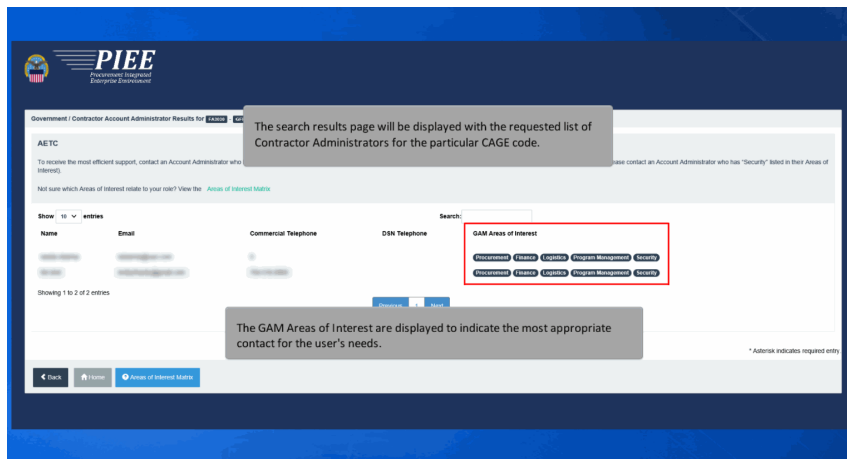

Enter a Location Code in the Location Code field. Select the applicable application from the Application dropdown menu. Select the applicable role from the Role dropdown menu.

Step 5

This screenshot shows the same form as in Step 4, but with a different callout box. The callout box points to the CAPTCHA input field and contains the text 'Enter the required CAPTCHA code in the CAPTCHA Image field.' The 'Submit' button at the bottom left is now highlighted with a red box, and a callout box points to it with the text 'Select the Submit button to retrieve administrator information.'

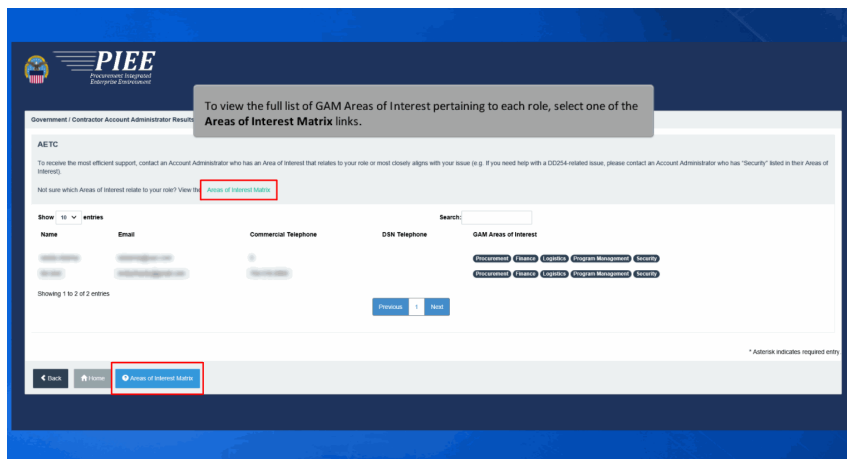

Enter the required CAPTCHA code in the CAPTCHA Image field. Select the Submit button to retrieve administrator information.

Step 6

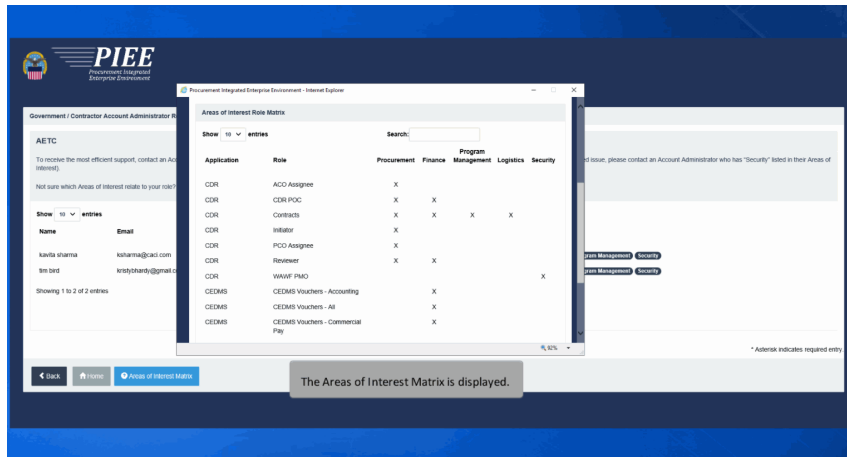

The search results page will be displayed with the requested list of Contractor Administrators for the particular CAGE code. The GAM Areas of Interest are displayed to indicate the most appropriate contact for the user's needs.

Step 7

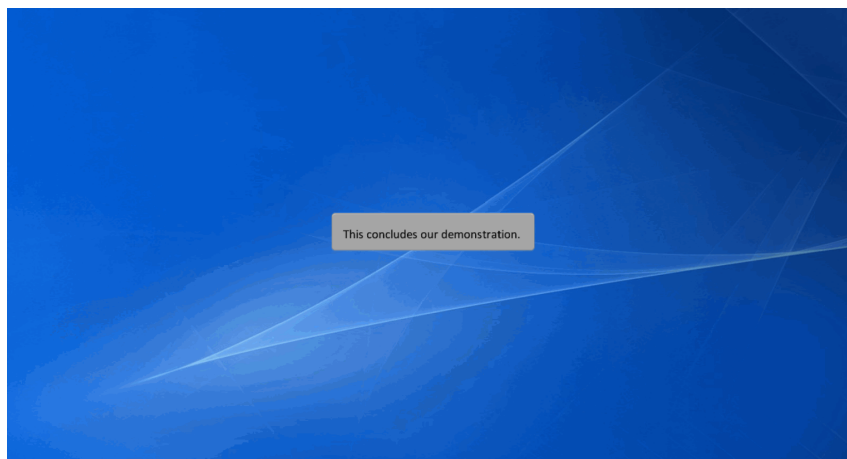

To view the full list of GAM Areas of Interest pertaining to each role, select one of the Areas of Interest Matrix links.

Step 8

The Areas of Interest Matrix is displayed.

End

This concludes our demonstration.
