Intro

Welcome to the Procurement Integrated Enterprise Environment. This demonstration contains audio narrative. Please adjust your volume accordingly.

Scene 1

This presentation will demonstrate the process of adding and managing user training records within the PIEE portal. Log in to the PIEE portal and select My Account.

User training is tracked in PIEE at the user level. Training completed in Defense Acquisition University (DAU) will be electronically forwarded by DAU to PIEE and systematically populated and displayed in the My Training page within the individual user's profile. Training captured in PIEE via the DAU electronic feed is paired with a PIEE user based on the user's email address. In order to facilitate the import of DAU training to PIEE, users not registered in PIEE will have 30 days to register after completing DAU training.
