The user will log into PIEE and select the SPM icon

The screenshot displays the PIEE 6.8.0 dashboard. At the top left is the PIEE logo with the version number 6.8.0 and the text "Procurement Integrated Enterprise Environment". To the right of the logo are navigation links: "My Account", "Administration", and "Help". In the top right corner, the user is identified as "User: TesterFN Test" with a "Logout" link. A warning message is displayed in a white box: "Warning: The Procurement Integrated Enterprise Environment (PIEE) Cryptographic module is currently down. You will not be able to sign, submit, or process documents until it is running again. This does not impact any user action that utilizes a CAC or Digital Certificate to sign documents." Below the warning, the text "Welcome to the Procurement Integrated Enterprise Environment" is centered. The dashboard is organized into several functional areas, each with a group of icons: "Award" (Solicitation, SAM), "Post Award Admin" (SPM, CCM, CDR, EDA, Contract Closeout), "Payment" (WAWF, myInvoice), "Operational Support" (JAM, PCM), "Purchase Card" (usbank), "Security" (NCCS), and "Other" (WBT). The SPM icon, labeled "Surveillance and Performance Monitoring", is highlighted with a red rectangular border.
